

Using the VidyoMobile App on the iPhone, iPad 2, and iPod Touch

This app is suitable for the iPhone 4, iPad 2, and iPod Touch

Login to Your Account

- Once installed, find the Vidyo App on your device and touch the icon to start
- Upon start up you will see a login screen
- If you already have a VuCall Account, enter your portal url, username and password into the login screen
- If you do not have an account, contact VuCall to set up trial accounts for you and your business associates

To order a trial account:

www.vucall.com

sales@vucall.com

0845 421 7853

Navigation

Once logged in, you can use the icons at the bottom to navigate

- Use the **Rooms icon** to connect to Room Systems (if any) within your organization
- Use the **Contacts icon** to find and connect to other contacts within your organization or other contacts within your set of trial accounts
- Use the **Search icon** to find and connect with Contacts or Room Systems by name
- Use the **Settings icon** to set the personal settings for the VidyoMobile app on your device

Call Direct or Join a Room

Using VuCall Mobile you will be able to have high quality video calls and meetings with your colleagues. Just find the person or room you wish to engage, click on their name and use the Join Room or Call Direct buttons to start your meeting or call.
